# Crowland Cranes - About us

Crowland Cranes currently operates from three locations. Head office is based in the village of Crowland, near Peterborough with two additional depots in Stanton, near Bury St. Edmunds and in Longwater, Norwich. All depots carry out numerous contracts for various public utility companies and major contractors reinforcing our growing reputation as a respected and quality supplier to the UK lifting industry.

We have operated for over 50 years within the construction industry. Specialising in Crane Hire, Crane Sales, Servicing, Testing, Recovery and Repair. We are committed to providing our customers with the best advice, offering affordable solutions to the client's requirements.
